

**Partnerships that help  
your business grow**

**Partner with us & take your practice to the next level**

**Are you a practice manager?**

Are you weighed down by practice administration & find it difficult to spend enough time on the patient experience?

**Let us take a load off.**

**How it works**

You send us the billing instructions  
& we take care of the rest.

## What does that mean for you as a **practice manager**?

- **No more** wasted time fixing & resubmitting rejected claims
- **No more** painful conversations with medical aids & patients around outstanding money
- **More money** as claims are optimised & vetted before they are sent to the medical aid
- **Easy to understand** reports that enable you to always be on top of your practice's finances

## ○ Our **services**

- Instant benefit & family checks
- Optimisation of claim before sent to medical aid
- Submission to medical aid
- Seamless reconciliation of medical aid statements
- Debtor collection of patient liable
- Bank statement reconciliation
- Detailed month-end reports

## What makes us different?

We believe that all practices are unique. To help us understand how we can best support your practice & your unique challenges a **complete practice assessment will be performed before we provide a proposal, with no financial obligation.**

- A **no-obligation assessment** of your practice is performed to ensure your unique practice needs are catered for.
- You can expect an average increase of 15% in efficiency via
  - i) an increase revenue,
  - ii) an increase in cash flow and/or a decrease in bad debt.
- We only charge you for **recovered money** (Medical aid & patient).
- We have dedicated Consultants who are trained to support your practice's unique requirements.
- We strive for 100% billing recovery.
- Our platform uses smart Artificial Intelligence (AI) technology. The more you use our system, the more efficient it becomes at creating billing instructions, the less you have to remember.

## Plus...

- **No** practice assessment fee
- **No** upfront installation fee
- **No** minimum monthly fee
- **No** claim submission fee
- 3-month **no-obligation trial**. You can terminate our services with a 30-day notice
- **Only pay 6%** of the Rand value collected from medical & patient liable claims

Great service,  
**backed by**  
great support
